Re: Sarit v. Westside Tomato, Inc., et al.
Civil Case No. 1:18-cv-11524-RA

Dear Judge Abrams,

I write to advise the Court that the parties have come to a tentative agreement to settle this matter. Plaintiff is waiting for a proposed settlement agreement from Defendants' counsel to review and, if appropriate, submit to the Court for Your Honor's consideration and approval consistent with *Cheeks* at its progeny. Without delving too much into the details of the proposed settlement, and in advance of the formal motion pursuant to *Cheeks*, Plaintiff believes that the settlement is reasonable compromise due to the industry to which she was employed (the restaurant industry) and the status of that industry due to the COVID-19 pandemic.

Therefore, and as a result of the anticipated forthcoming settlement, the Plaintiff respectfully requests that the Court extend the date to file its 12(b)(6) motion and motion to certify a preliminary collective under the FLSA.

Respectfully submitted,

Joshua M. Lurie, Esq.
